

**TRANSPORTATION DEPARTMENT[761]**

**Adopted and Filed**

**Rule making related to driver's licenses**

The Department of Transportation hereby amends Chapter 605, "License Issuance," Iowa Administrative Code.

*Legal Authority for Rule Making*

This rule making is adopted under the authority provided in Iowa Code sections 307.12 and 321.196.

*State or Federal Law Implemented*

This rule making implements, in whole or in part, Iowa Code sections 321.182, 321.189 and 321.196.

*Purpose and Summary*

This rule making updates Chapter 605 to incorporate amendments that align with existing legal authority and Department practice and to eliminate outdated or irrelevant requirements or options and accommodate modern electronic procedures.

The amendments update the physical description related to eye color to align with eye color selections that already exist in the electronic license issuance system and strike outdated language related to the fee for a replacement license issued when a person no longer needs a license marked "under 18" or "under 21." Previously, Iowa Code section 321.189(6) set the replacement fee for this type of license at \$1; however, the statute has since been amended to set the replacement fee at \$10.

The amendments simplify the address change process to clarify that an address change may be completed online at the Department's website or at a driver's license kiosk and to no longer require that a person renewing a driver's license produce two forms of proof to notify the Department of a residential address change. The amendments also allow the renewal of a person's driver's license within 180 days prior to the expiration date of the license, which provides more convenience and flexibility to the renewal process.

Finally, the amendments expand the list of who can take advantage of the online license renewal option by allowing a person with a "J" restriction that corresponds directly to a "7" (minor's school license), "Y" (intermediate license) or "I" (ignition interlock required) restriction on the back of the person's driver's license to be able to renew the license online because these combinations of restrictions do not affect the person's eligibility to renew the license online.

*Public Comment and Changes to Rule Making*

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on July 4, 2018, as **ARC 3865C**. No public comments were received. No changes from the Notice have been made.

*Adoption of Rule Making*

This rule making was adopted by the Department on August 15, 2018.

*Fiscal Impact*

This rule making has no fiscal impact to the State of Iowa.

*Jobs Impact*

After analysis and review of this rule making, no impact on jobs has been found.

## *Waivers*

Any person who believes that the person's circumstances meet the statutory criteria for a waiver may petition the Department for a waiver under 761—Chapter 11.

### *Review by Administrative Rules Review Committee*

The Administrative Rules Review Committee, a bipartisan legislative committee which oversees rule making by executive branch agencies, may, on its own motion or on written request by any individual or group, review this rule making at its [regular monthly meeting](#) or at a special meeting. The Committee's meetings are open to the public, and interested persons may be heard as provided in Iowa Code section 17A.8(6).
